Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (*check all that apply*)

### III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

1. On November 17, 2019, I signed a purchase agreement for a newly constructed townhouse. The address of the property is 8313 Meadowood Drive, Hanover, Maryland 21076 ("the property"). I settled on the property on June 30, 2020 and moved in on July 3, 2020.
2. Pursuant to the purchase agreement, the property is "within the Shipley Homestead Homeowners Association, Inc." It also stated that, "It is anticipated that the Common Areas of the Association will include, if constructed, a pool, CLUBHOUSE...."
3. The Craftsman Clubhouse ("Clubhouse") is a single facility that incorporates the fitness center (gym) in one room and a large dining room with a table, kitchen and seating and an outside patio area (referred to collectively as the dining room). The entrance to the Clubhouse faces a small parking lot. Once you enter the Clubhouse, the gym is to the left and the dining room is to the right. The restrooms face the entrance and are shared by the gym and dining room guests.
4. The Clubhouse was prominently displayed in all of defendant Pulte's marketing and sales materials including advertisements, drawings, maps, brochures, videos, etc. One flyer stated, "Shipley Homestead is the only luxury townhome community in Hanover with the most amenities, future onsite retail and less than a mile from 295 and Fort Meade." It was completed and operational when I first visited in 2018, when I settled and when I moved in.
5. Defendants used the Clubhouse as a strong selling point to induce buyers including myself to sign a contract to buy. It was in fact a major reason for me entering into a contract to purchase at Shipley Homestead.
6. In July, 2020, I received Shipley HOA's Application and Rules and Regulations ("Rules and Regs") for use and rental of the Clubhouse and two key fobs for access to the Clubhouse. The Rules and Regs state that "Rentals will be permitted starting Fall 2018." However, I have been denied use, access and rental.
7. In February, 2021, I contacted Shipley Homestead's property management, Comsource to reserve the Clubhouse for October 22, 2021 and was transferred to Joe Bush who was unavailable. I called back and spoke with Rosa Rosas who informed me that the Clubhouse was currently not open due to Covid-19. She informed me that the Shipley HOA Board would meet to make the decision when to open the Clubhouse.
8. In June, 2021, I received a letter that the fitness center was opening on July 1, 2021. I asked Ms. Rosas about the dining room. She said that, "only the gym" was opening for now but "they are working to get the [dining room] opened soon...." However, defendants allowed others unrestricted use and access of the dining room.
9. On July 6, 2021, I emailed Ms. Rosas regarding rental of the Clubhouse. She stated, "It's in the process and soon you will be receiving some information hopefully by the end of August."
10. On August 9, 2021, I called and emailed Joe Bush and Ms. Rosas. When neither responded, the following day, I contacted Tracy Bass, Office Manager. She said that, "October 22, 2021 was available" and, "I could rent the dining room." However, Ms. Bass later called back and recanted her statement.
11. Ms. Bass stated the Clubhouse has never been rented; however, Shipley HOA has used it for its own events and purposes and has allowed others to use and have unrestricted access to the Clubhouse dining room.
12. On August 12, I emailed Mr. Bush a copy of Maryland Real Property Code Annotated, Section 11A-128. I asked Mr. Bush for notice of the meeting and for an opportunity to be heard regarding reopening the Clubhouse.
13. On August 13, 2021, Mr. Bush stated it was not him but "The HOA has not yet re-opened the facility," but "Once the Board makes the decision to re-open, a broadcast message will be issued to all owners and all owners will be given the opportunity to reserve space." He also stated the HOA can deny access to facilities harmful to residents. I informed Mr. Bush that there are no Covid restrictions in the State of Maryland; that Anne Arundel County has lifted all Covid restrictions; and that all guests, none of whom is a resident, would be vaccinated.
14. On August 25, 2021 and August 30, 2021, I sent Mr. Bush, Ms. Rosas, Ms. Bass and two Board members follow up emails and also called on August 25, 2021. To date, I have not received any notice of the dining room of the Clubhouse opening or a response from any of the defendants. I have not been able to rent the dining room.
15. This situation has created a hardship and is a huge disappointment for me. I need to accommodate 30-40 people including handicapped guests. I don't have space in my home or ample parking for everyone. I cannot afford to rent another venue at this late juncture. Also, I have expended funds for food, cake, decorations, favors and other expenses. These amounts are not reimbursable or refundable.

**IV. Relief**

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

I am filing for an injunction for immediate use, access and rental of the Clubhouse dining room/kitchen. I am claiming damages for breach of contract against the defendants for failing to allow me to rent the Clubhouse. I am also demanding the difference between the market value of the property without and with a Clubhouse facility. I am claiming damages for having to rent another facility and choose from their food and beverage menu, travel and other expenses and for reimbursement of items purchased. In addition, I am claiming damages for pain and suffering and emotional distress. Lastly, I am claiming punitive damages for defendants' intentional actions, i.e. fraudulent inducement and discrimination. The total amount of damages claimed is \$500,000.00

**V. Certification and Closing**

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.
